Mid-Week Lenten Worship

Holy Week

What would you do if you had only a week to live? What's on your "bucket list"? Would you go skydiving or take a trip somewhere? Would you go and see your family one last time? Would you get your will written and take care of all those important details?

Whatever it is that you would do, you wouldn't go in to work as if nothing had changed, would you? And yet that is exactly what Jesus did. During Holy Week Jesus continued his work on this earth, preaching the good news of salvation. We see him in the temple driving out those changing money and selling, making God's house a "den of robbers" instead of a "house of prayer." We see him weeping over Jerusalem because of its stubborn impenitence. We hear him tell many parables about the kingdom of heaven; all with the goal of leading people to repentance and faith in Jesus as their Savior from sin.

This has application to our lives as well. The goal isn't just to finish the things on our bucket list or to take life easy and enjoy it. Of course we want to enjoy the blessings God gives as they come, but like Jesus we need to keep the mission in front of our eyes. It's not just to enjoy life here and experience all the joys and pleasures this world has to offer, but to use the time and the gifts God has given us in his service.

We see that in Jesus during the last week of his life on earth. His bucket list was to continue preaching the law and the gospel to the Pharisees and Sadducees and to continue his work of seeking out the lost and straying sheep. Hard, time-intensive, but important work. Starting March 12th, Sunday morning Bible class will begin to take a look at Jesus' last week of his life. We'll spend five Sundays looking at what Jesus did during his last week and some of the applications for us in our walk of faith as well. I hope that you can join us for this Lenten study.

Redeemer Welcomes the Pipers

Ernie & Tina Piper
Ben and Amanda

Let's give a hearty welcome to our new members Ernest, Christine, Benjamin and Amanda Piper. Ernest was born and raised in Ohio. His post-graduate schooling was in Columbus where he got a PhD in agronomy. While he was working on his PhD, he had several educational jobs. After, he worked in software programming and is now in computer programming at Raytheon. Christine was born and raised in Maryland, went to a Lutheran High School there, and continued on to Towson University. She has worked in special education and also with Hallmark cards. They met through a mutual friend's brother. They have two children, Benjamin, 11, and Amanda, 9, who both attend Redeemer School. Raytheon is what brought them to Tucson and the school is one of the reasons for coming to Redeemer. They feel very blessed with their wonderful family and having good churches both in Maryland and in Arizona.

Lutheran Women's Missionary Society

Please mark your calendars for April 1st to attend the Grand Canyon Circuit East rally at Grace Lutheran Church here in Tucson. The theme is "Love Your Neighbor As Yourself." Speakers will be John Kramer on "Mission to the Children" and Amy Mueller on "Seeing God's Grace Through the Eyes of a Former Jehovah's Witness"---her personal story. We strongly encourage our women to bring their daughters and granddaughters to hear both of these presentations. If you have never attended a rally, this is a great opportunity to see what the LWMS is all about! Cost for the day is only $10 and includes lunch. Come and meet many of your Tucson and surrounding areas Christian sisters. (If you wish to attend the rally but do not have the means, see Ruth Schaller for some available scholarships.) The registration form can be found on the opposite page and the deadline is March 18th. Redeemer will be hosting the Fall Rally October 7th, 2017 and your participation is greatly desired.

Since we did not collect mission money at the last Fall Retreat, we encourage our attendees to prayerfully consider responding generously to our Mission Box project. In other circuit news, two office positions are open: Spiritual Growth Woman and Treasurer. See the website www.grandcanyonlwms.org/ for job descriptions.

The Grand Canyon Circuit East is planning to participate in the *Send One Sister* project of the International LWMS again this year. The plan is to send a woman to the convention in Orlando, Florida who has never had the opportunity to attend an International LWMS convention. The dates are June 22-25. Please see Ruth Schaller if you fit this description. We hope to be able to provide expenses for the flight, registration and room. The board plans to choose this person at the April 1st rally.

Our *Befriend A Mission* project starts this year and runs through 2019. More information will come in *The Redeemer Register* on each mission, but for now you can start sending cards and letters of encouragement to the following list:

Redeemer Lutheran School is one of many ways that we can follow Jesus' command in Mark 16:15. "He [Jesus] said to them, 'Go into all the world and preach the good news to all creation.'" Students can come to our school and learn how to read, they can learn mathematics, and they can learn about the history of our world, but they can do all of that at any school. Redeemer is set apart from other schools because we can also help these children grow in their faith. Through our words and actions as parents, teachers, or members of this congregation, we will have a huge impact on the lives of our children as we share with them the story of God's great love for sinners. What an awesome privilege we have, and I pray that God is always with us to help us accomplish this mighty goal!

Pre-Registration for the 2017-2018 school year (preschool-8th grade) has begun. We are getting students and families excited for next year already. If you know of anyone who has school-aged children, please spend some time telling them about the great Christian education that they can receive at Redeemer. An Early Registration Form is available in the school office for K-8. This form and the $50 deposit (per child) must be returned by the end of February to receive a $100 credit toward registration. New students, as well as preschool students who will be going on to Kindergarten, will need to fill out the multipage application form.

It is looking as though our enrollment will be growing for the next school year. The School Board and Education Board are working on a plan to possibly add a prekindergarten classroom and to split grades 1 and 2 into separate classrooms. This plan includes adding additional teachers for the next school year and making some changes to utilization of the classrooms. As these plans are developed, we will share more with the congregation at an open forum meeting, and any decisions that need to be made will come at a special voter's meeting. None of these dates have been set yet, but we will be sure to communicate more with you as plans solidify.

We will hold our annual School Spelling Bee on March 16th. Classroom spelling bees will be held first to determine the top 5 students from each grade. These students will then compete in our School Spelling Bee and the top two in each grade level (grades 1-8) will then be invited to go to the ALA Spelling Bee on April 1st. We will also determine a Redeemer Champion by having the students in grades 5-8 all compete together. Stay tuned to *The Redeemer Register*, and I will let you know who the champions are next month.

Monday, March 6th will be our "Passport to Education." This year our focus is science, and we will be hosting a Science Fair. Students will be conducting an experiment, and then they will put their results together into a poster board display. These displays will be set up the weekend before the Science Fair, so that you will be able to browse the displays Sunday morning or Monday night. Come check out all of our budding scientists' creativity and discovery.

Preschool News

From the viewpoint of a preschooler:

How exciting things have been! We started out our month with a week all about Dr. Seuss. We learned about who he was and the kind of books he wrote. We really enjoyed "The Cat in the Hat" and "One Fish Two Fish"'. Miss Clark even told us we could come to school one day in our pajamas!

We are also learning about health and nutrition. Whew! That is a big word for us. We are amazed at all of the different kinds of foods and how they help our bodies. We can't wait to eat healthy foods so we can grow big and strong.

We have been doing lots of art projects. Mrs. Plymesser, Mrs. Stam, Mrs. Vatterrodt, and Miss Clark told us that we will be having an art auction in March. It is the same day that we sing for church! It is on March 12. Come see all of our hard work on our artwork and enjoy a barbeque lunch!

Oh! And early registration has started for next year. We would love to see new friends in our prekindergarten room and the preschool room next year. Please tell all of your moms and dads and friends!

Miss Leah Clark

School News

Early Childhood Silent Art Auction

On Sunday, March 12th, all members are invited to a special Sunday at Redeemer. The children of the Preschool and Pre-Kindergarten classrooms will be singing in the 10:45 a.m. service. Afterwards, our preschool is hosting a picnic lunch in the Ministry Center. Families are invited to eat together and browse the room to see the variety of artwork our students have done this school year. Families are also invited to participate in art activities in Room 301. If you would like to bid on a piece of artwork, you are invited to do so. All donations will go toward improvements in our Early Childhood Classrooms that will help us reach more children and their families in the future!

The silent auction will close at 1:30 p.m. so you can take your artwork home that afternoon.

We are looking for volunteers to help us organize our picnic lunch, art activities, and act as a welcoming committee for visiting preschool families.

If you are interested, or want more information, email Hannah.stahl@redeemertucson.com or call or text her at 520-425-6657. See you there!

Boy and Girl Pioneers

Last month, spring arrived in Tucson early and the Redeemer Pioneers went hiking. Twenty boy and girl Pioneers were joined by eight adults and explored some small desert canyons and washes in Picture Rocks. Not much wildlife was observed, but the steep and rocky hills filled with cactus are always beautiful to observe. The overcast afternoon put another dimension on God's creation.

The Pioneers spent the hike attempting to be quiet (most failed) and climbing up the igneous, sedimentary, and metamorphic large rocks, which are situated throughout the initial pass.

Eventually, the group made it to some petroglyphs (the "picture rocks"). More excellent hiking activities will be explored this month.

Upcoming Pioneer events:

Boy Pioneer Campout – March 3rd – 5th

Pioneer Hike – March 12th, 3:00 p.m.

Girl Pioneer Fused Glass Project - March 12th, 3:00 - 4:30 p.m.

Girl Pioneer Campout - March 17th - 19th

Monthly Pioneer meeting – Sunday, March 19th, 3:00- 5:00 p.m.

Pioneer Hike - April 9th, 300 p.m.

Pinewood Derby - (tentatively scheduled for late April)
